

TAKELEY CHIROPRACTIC

Part-Time Associate for Fast Growing Clinic

- Established in 2017.
- July 2023 expanded into new larger and scenic premises to keep up with patient demand.
- Multi-disciplinary clinic rated 5* on Google and close to Stansted Airport/M11.
- Looking for a passionate and patient focussed practitioner who will fit in with our friendly and holistic approach to patients — the key to our success in the local area.
- Great opportunity to join a young practice, with a healthy and fast growing client base and ambitious plans for the future, whilst being able to enjoy a good work/life balance in an area of outstanding natural beauty, with quick transport links into London.
- Due to our focus on providing high quality care and wanting to build a thriving, long term team, Scott, our Director is always on hand for our new associate to reach their potential and offer any support required, including PRT training to new graduates.
- The position would be self employed with percentage based earnings.
