

## Information skills: Searching WorldCat Discovery Resources - Links to External Information Sources

Click on the Resources link to access the menu.

Link	Where does it search	Authentication required
<b>eResources</b>	List of A-Z titles: search or browse electronic resources only: Articles, eJournals, eBooks, eBooks citations, or Collections.	No login required to search the A-Z list. CSP login is needed to view full text.
<b>eTheses (ETHOS)</b>	Search over 600,000 doctoral theses in the British Library's EThOS database.	No login required to search the database. Free registration is required to download theses or to order a digitised copy.
<b>HSJ: staff access only</b>	HSJ journal website	Only staff who requested access can view full text articles.

<b>Cochrane Library</b>	Cochrane Library website	No login is required to browse Cochrane Reviews or search Trials. Free registration is required to save search strategies.
<b>PEDro</b>	PEDro, the Physiotherapy Evidence Database (produced by The Centre of Evidence-Based Physiotherapy at the School of Physiotherapy, University of Sydney) website.	No login is required. This database gives access to bibliographic details and abstracts of randomised controlled trials, systematic reviews and evidence-based clinical practice guidelines in physiotherapy.

## eResources

- Using the A-Z list allows you to connect to the full-text content the CSP's eLKAS subscribes to quickly.
- Search for Articles, eBooks, eBook citations and Journals.
- Browse subscription Collections and Journals.

The CSP's eLKAS subscribes to a number of eJournals, the full list can be viewed at <https://www.csp.org.uk/professional-clinical/clinical-evidence/more-journals-csp-members>

These eJournals are accessible via WordCat Discovery and can be searched using the A-Z list. E.g.:

The screenshot displays the search interface for the Chartered Society of Physiotherapy (CSP). At the top left is the CSP logo. Below it, there are two tabs: 'Advanced Search' and 'Resources'. The main search area has two buttons: 'Search' and 'Browse'. Underneath, there are four search filters: 'Articles', 'eBooks', 'eBooks Citation', and 'Journals'. The 'Journals' filter is selected. A search box is labeled 'Title:' and contains the text 'BMJ'. Below the search box, there is a 'Search type:' dropdown menu set to 'Match all words'. There is also an 'ISSN:' field which is currently empty. At the bottom left, there is a 'Clear' link and a 'Search' button, both of which are circled in red in the image.

On the eJournal record, you will be able to see further details i.e. coverage and links to full text:

**BMJ**

Search Browse

Search for: **Articles** eBooks eBooks Citation Journals

For best results, include journal ISSN or title as well as volume, issue, and start page.

Article title: Systematic Reviews 1 – Gathering the Evidence: Linking Evidence to Practice

Author(s):

Journal/Publication title: Journal of Orthopaedic & Sports Physical Therapy

Identifier: ISSN

Published: Date: e.g. 2010 Volume: e.g. 4 Issue: e.g. 2

Pages: e.g. 245 to Optional

Clear **Search**

On the record you will be able to see links to full text (or how to request a copy when unavailable):

The screenshot shows a library search results page. At the top left is the logo for the Chartered Society of Physiotherapy. Below it, there are navigation options: 'Advanced Search' and 'Resources'. A search bar contains the text 'Edit search'. The main content area displays the title 'Systematic Reviews 1 – Gathering the Evidence: Linking Evidence to Practice' and identifies it as an 'Article, Chapter' published in the 'Journal of Orthopaedic & Sports Physical Therapy'. A sidebar on the left offers options like 'VIEW FULL TEXT', 'BROWSE RELATED ARTICLES', 'IN LIBRARY', 'REQUEST', and 'CITE'. The main area provides three 'View Full Text' links, each with associated journal and collection information and a 'Report a broken link' option. A 'Request a copy of this item' section shows a message: 'Fulfillment is not available'. At the bottom, there is a 'Cite this item' section with a text box containing the article title and journal name, and buttons for 'Copy', 'Export to RefWorks', 'Export to EasyBib', and 'Export to EndNote'.

The link will take you to the article/journal, where you can download or read the article you want online:

The screenshot shows the JOSP Science Media website search results page. The top navigation bar includes the 'MOVEMENT SCIENCE MEDIA JOSPT' logo, a search bar with 'Anywhere' selected, and a search query 'Systematic Reviews 1 – Gathering the Evidence: Linkin'. Below the navigation bar, there are links for 'Advanced Search', a shopping cart icon, and 'Log In'. The main search area features a 'Search' bar with 'Anywhere' selected and a search query 'Systematic Reviews 1 – Gathering the Evidence: Linkin'. The results section shows 'Articles (1)' with 'Results: 1 - 1 of 1'. A 'REFINE SEARCH' button is visible, along with 'PER PAGE: 20' and 'SORT BY: RELEVANCE'. The article title 'Systematic Reviews 1 – Gathering the Evidence: Linking Evidence to Practice' is displayed, along with the author 'Steven J. Kamper', the journal 'Journal of Orthopaedic & Sports Physical Therapy', and the volume/issue information 'Volume 53, Issue 8 | 20 Jul 2023 | Pages 490–491'. A DOI link is provided: 'https://doi-org.csppl.idm.oc.org/10.2519/jospt.2023.0701'. At the bottom right, there are buttons for 'Full Text' and 'PDF'.
